The shell scheme built up will be finished on **Monday, 24.11.2025, at 15.00 h**. There might be minor works necessary			

(decoration etc.) which will be executed afterwards.	
Minimum stand size	12m² When building your own booth, please advice your boothbulilder, that at least 40 mm tolerances for the walls erected in both directions (left and right) must be deducted from the dimensions of the rented areas.)
Additional Service	Additional services will be available within our online service center under www.stuva-expo.de. Exhibitors receive their access date in due time before the event date and execute their orders for desired services here. Prices for additional orders are subject to the terms stated in the online service center.
Stand design (cf. General Terms of Participation no. 7)	The obligatory minimum requirements are a floor covering over the full surface (carpet etc.), stand inscription (company name and address) and stand participation walls visually appropriated to the surroundings. The stand sides facing the visitor aisles must be designed in a transparent and open form. For each stand side facing the visitor aisle, a maximum of 30 % of the stand length may be built with closed elements, to a height of 2.50 m. There must be no hindrance to opposite or adjacent stands, and no impairment of the view into those stands.
Stand participation walls (cf. General Terms of Participation no. 7)	Exhibitors are required to mark the limits of rented stand space by stand participation walls, unless they bring their own exhibition stand with them. Display and folding stands are not considered as stand participation walls.
Acceptance of the rented items, defects and replacement	All items of equipment included with the handover of the finished stand are rental items. The rented items shall be handed over in new and new and in perfect condition. The exhibitor must ensure that the rented items are in proper condition and complete when taking them over. Complaints about rented items must be reported to deltacom GmbH immediately and in writing. In any case, the deadline for complaints and defects ends no later than 1 hour after the opening of the trade fair The Exhibitor shall return the rented items to DeltaExpo GmbH in the same condition in which they were handed over to the Exhibitor by DeltaExpo GmbH.

Insurance of exhibition goods and merchandise	The exhibitor is responsible for insuring exhibition items and goods against theft, loss or damage.
Damage to the rental object - liability and compensation	The Exhibitor may be held liable for damage and loss up to the amount of the replacement value or up to the amount of the repair costs, provided that these do not exceed the replacement value. Liability shall commence when the exhibitor takes over the rented equipment and shall end when DeltaExpo GmbH takes it back. This shall also apply if the exhibition stand is not occupied. Liability shall end no later than 24 hours after the end of the event, unless the hired equipment was not made available for collection or a different collection date was agreed. Liability on the part of DeltaExpo GmbH for damage to property and personal injury in connection with the use of the rented goods shall be excluded, unless the lessor is guilty of intent or gross negligence. The pasting of wall elements is prohibited. **Damaged wall elements will be invoiced at EUR 100 per wall element**.
Examples of damage Pin markings / screws 	Adhesive residues
IMPORTANT – DISMANTLING of shell schemes!!!	**Please note that there is no booth material allowed to stay on the booth (e.g. within the storage cabinet) as the booth builder will dismantle the shell scheme immediately after the trade fair finishes.**
